

Adventure Resume – Have You Ever?

- * Determined that you would rather be real and miserable than happy and kidding yourself
- * Played in a brilliant display of St. Elmo's fire
- * Hung your chin out over a cliff of over a thousand feet (also dropped a large rock or two)
- * Discovered you were close to an active bear in a cave
- * Worked with dynamite (was able to buy dynamite, fuses and blasting caps at age 18)
- * Fought an out of control fire
- * Been bitten by a rattlesnake (picked it up, let go of its head, played with it, and released it)
- * Slept outdoors on concrete with only the clothes on your back (plus a welcome mat for warmth)
- * Sailed over an oncoming car on a motorcycle
- * Explored a multi-million dollar estate grounds at night without owner's permission
- * Hitchhiked over 200 miles
- * Been swimming in the ocean out beyond the breakers at night in shark haunted waters
- * Come off the back of a motorcycle in heavy traffic
- * Been about to drown, until your foot touched bottom as you finished your prayer
- * Earned a living and gone to school while living in a vehicle (usually in a parking lot)
- * Had to find work in a foreign country in order to survive
- * Climbed around the outside of a building four floors above the cobblestones at night
- * Dated a local girl in a foreign country, and been chaperoned by her mother and sister (loved all 3)
- * Had a terrorist bomb damage a building you were in.
- * Been stalked by machete wielding witch doctors (a friend saw a decapitated tourist)
- * Seen lightning strike within a hundred feet of yourself
- * Played chicken with the devil (walked into a visible demon in broad daylight)
- * Been alone in a shed and too sick to drink a cup of water without vomiting, for three days
- * Been surrounded by snarls and shadows of wild dogs at night with no light or weapon
- * Slept with a nun (just in her apartment, I never got into the habit)
- * Experienced or witnessed a divine healing
- * Been shot at
- * Done cartwheels off a motorcycle over boulders (God warned me to yield three weeks before)
- * Been deputized as a sheriff and left alone to protect a young lady from outlaw bikers
- * Hallucinated on drugs for two or more days in a row
- * Had someone try to kill you on the freeway
- * Been at sea among waves over 50 feet high
- * Driven at over 140 mph
- * Accepted a beer from a party of hostile gang-bangers while alone in a park at night
- * Crossed the international date line
- * Discovered that brakes don't work while wheels are off the ground
- * Approached and sat beside a beautiful total stranger in a parked car (still married to her)
- * Seen a head-on collision right behind you
- * Had a doctor tell your family to find you a mortuary
- * Felt the arms of the Creator around you when asking honest, serious questions
- * Begun driving over 1000 miles without enough money for a full tank of gas
- * Interrupted a judge
- * Been pursued by a camp of satanists while hiking in the mountains
- * Confronted and driven out an intruder who had entered your house to rob you
- * Seen prophetic visions (one of them helped protect me from a head-on collision)
- * Been jobless and homeless for over a year (imposed on grudging friends and family)
